Sheriff Hedges:

Thank you for your March 03, 2004 response to my request for a copy of the police report filed by Bruce Buel of the LOCSO and alleging vandalism.

Unfortunately, I don't speak "sheriff" so I have questions needing response. On the first page of the "**Incident Report**," next to my name is a blacked out line. I want to know what that says. Where did you acquire my SS#, and why is it part of a public document in violation of federal laws of privacy?

On the next page entitled "**Property**," are the words "**Evidence In A Crime**." Exactly what crime was allegedly committed? Please provide the appropriate criminal code number(s) used by the sheriff to justify dispatching five deputies to my home.

Further down on this page is "**Item 2 – Miscellaneous**." Please tell me what the following stands for: Current Class: Prop. Involved In Incident and Corresponding Class: Prop. Involved in Incident."

Please tell me what "Quantity of 6 Clets Status and No Clets No" stand for. What are they and what is the "6" representing? Please send to me at **313 Lilac Drive, Los Osos 93402**. Thank you.
